# Alida Liberale

**ART  
ON  
SILK**

# 2023

Alida Liberale is an artist whose extraordinarily inexhaustible expressive vein finds realization in different pictorial techniques from oil painting to tapestries, to silk painting. It is precisely painting on silk that gives voice to her main passion by using the brand name "ART ON SILK"

**TO BE  
DIFFERENT**

Aliberale

The painted silk scarves are unique, exclusive, and unrepeatable works. The colors slide on the silk following the careful hand of the artist who knows how to direct the sign, as describing the nature that accompanies the themes of her paintings. She is inspired by nature and matter; the environment is a subject of great attention for Alida. It is precisely "reserve dyes" through the batik and shibori technique, which exploits the eco-sustainable respect of Art on Silk.
